What our pupils had to say about GCSE Art Craft & Design 2024-25

“When it comes to art its very relaxed and laid back. The work does get done quick without realising. Resources are great and its always a good time”

Pupil A.G

“Arts good.I did more work here than in my old school” miss helped me alot .Pupil A.W

“Jenny has helped me loads,I didn’t know how I ended up doing Art but she was patient and supported me”.

Pupil O.S

“I actually didn’t realise I could draw this good, especially portraits, miss really showed me how to use other ways to draw face parts and I’m well proud of my work”

Pupil A.Y

“In Art Jenny allows us to listen to music, its calm and she allows us to express ourselves and listens”. Pupil K.B

Nearly all our pupils turn up to my art lessons at the start of their journey at Rivers, not thinking they can draw and fear making mistakes, every year it brings me so much joy seeing my pupils grow into confident artists and achieving GCSEs in the subject. Well done class of 2025! 😊 Mrs Jennifer Leo

*From all my support staff and myself (Jenny Leo) we would like to thank our pupils and everyone who took the time enjoying viewing our pupils hard work of 2024-25
Thank you 😊*
