

COVID RISK ASSESSMENT

- This risk assessment template is intended to support schools in their decision-making process and enable them to assess their site and activities as required by the current government guidance.
- This assessment is based on the expectations set out in the Schools coronavirus (COVID-19) operational guidance but must be adapted in order to give a clear narrative on the specific controls being put in place within your school to manage the risk from coronavirus.
<https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak>

As with other areas of risk school employers and leaders are required to reduce risk as far as is reasonably practicable, recognising that it is not possible to eliminate the risk of coronavirus.

- During this evolving situation please monitor and follow government guidance, further reviews and updates to the template will be made following any significant updates.
- In addition, you should continue to review your controls and activities and update the risk assessment to reflect any changes in practice.

Notes on completion:

- This risk assessment should be completed by the Head and SLT in consultation with staff.

Consultation with employees is a legal duty and involving staff in the planning and assessment process will aid in your controls being adopted and in easing any anxiety amongst staff.

- Where you have a Union H&S representative then make sure you consult with them as part of the risk assessment process.
- You will need to review and tailor the contents of this generic risk assessment to meet your own individual circumstances, actions determined as required but not yet in place should be moved from the 'What are you already doing?' column to the "What further action is necessary?" column. Or alternative and equivalent control measures which you have put in place added.
- Ensure this document is made **specific** to your site. Record any other **significant** findings and actions required to reduce risk further where existing controls are insufficient, assigning these actions to an appropriate manager or member of staff.
- There may also be a requirement to review other existing work activity risk assessments for your school and amend these (if you have not already done so) to include the management of the risks associated with COVID-19.

Share the risk assessment

Once the assessment is completed **share** this with all staff, make sure that you brief all temporary staff, peripatetic and supply teachers, visiting coaches etc. on your expectations on managing risk.

- You may choose to publish the risk assessment on your website to provide a clear transparent approach to the wider school community.

Monitor and review

As the school returns continue to review how staff and students adopt to your controls, there will almost certainly be areas where the risk assessment will need review to reflect additional controls or risks which only became apparent as your operational activities and curriculum are delivered.

Review and tailor the contents of this generic risk assessment to meet your school's individual circumstances, actions determined as required but not yet in place should be moved from the 'What are you already doing?' column to the 'What further action is necessary?' column. Record any other **significant** findings and actions required to reduce risk further where existing controls are insufficient, assigning these actions to an appropriate manager or member of staff.

RISK ASSESSMENT FOR: School activities during COVID 19 outbreak			
Establishment: Rivers ESC	Assessment by: LH/SLT	Date: 11/01/2022	
Risk assessment number/ref: <i>(add your own if so desired): RA-001</i>	Manager Approval: Andy Stuart - Headteacher	Date: 11/01/2022	

Rev 15: revised to reflect move to **Step 4** from July 19th and **Schools Operational Guidance** [Actions for schools during the coronavirus outbreak - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/actions-for-schools-during-the-coronavirus-outbreak)

10/8/21 link to Herts Music Service updated, new edition of CIBSE ventilation guidance referenced

31/08/21 self-isolation requirement– updated age of young people exempt from self-isolation if a contact of a positive case to under the age of 18 years and 6 months

02/09/21 link to 'when to contact the LA Covid response team' added

Rev 16 29/11/21 updated to reflect revised DfE Schools operational guidance (29/11/21) - face coverings now recommended in communal areas, isolation and test on arrival when arriving from abroad, isolation requirements for close contacts of Omicron cases.

Rev 17 16/12/21 updated to reflect move to daily rapid testing for close contacts instead of self-isolation for all fully vaccinated adults and children aged 5 - 18 years 6 months

Rev 18 4/01/22 updated to reflect DfE guidance change with face coverings in classrooms for Yr 7 and above.

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
<p>Individual risk factors meaning staff / pupils more vulnerable to COVID-19</p> <p>Clinically extremely vulnerable (CEV) individuals</p> <p>Shielding for CEV individuals paused on 1st April 2021.</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Pupils Those pupils who are unable to attend school because they are under specialist care and following specific clinical advice (e.g., a letter from their consultant/GP stating they should refrain from attending school) will be provided with remote education.</p> <p>Existing individual health care plans in place for pupils/students to be reviewed. Clear message sent to parents that students should not be sent into school if unwell for both Covid-19 and any other illnesses/symptoms.</p> <p>Staff Individuals classed as clinically extremely vulnerable to have a risk assessment undertaken on their role. School to discuss arrangements / concerns with individuals and provide assurance of controls in place (i.e., hand washing, enhanced cleaning, ventilation, managing confirmed / suspected cases, LFD testing) and through the risk assessment process determine if any additional measures are required. This should consider if these staff are able to work from home or in areas / roles where limiting close contact is easier.</p> <p>See https://www.gov.uk/government/publications/guidance-on-shielding-and-protecting-extremely-vulnerable-persons-from-covid-19</p> <p>Protect vulnerable workers - Working safely during the coronavirus (COVID-19) pandemic (hse.gov.uk)</p> <p>Encourage vaccine take up for staff (both doses)</p> <p>Asymptomatic testing (LFD testing) Staff and secondary school pupils should continue to test twice weekly at home, with lateral flow device (LFD) test kits, 3-4 days apart. Testing remains voluntary but is strongly encouraged. There is no need for primary age pupils to routinely test.</p>	<p>From 1st April CEV staff were able to return to the workplace In the event of an individual following specific clinical advice (e.g., a letter from their consultant/GP stating they should refrain from attending the workplace) it is strongly recommended that Schools contact their HR Advisor.</p> <p>COVID-19 booster vaccines to the most vulnerable, starting from September 2021</p>	<p>SLT/assigned staff</p> <p>Line managers to meet with CEV staff to update R/A's where necessary</p> <p>AS/LH</p> <p>All staff/students</p> <p>All staff/students</p>	<p>When required</p> <p>Beginning of Autumn Term 2021</p> <p>When required</p> <p>Twice weekly</p>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
School occupants coming into contact with those with Coronavirus symptoms	Staff, Students / pupils / wider contacts Spread of COVID 19	<p>Testing Staff / pupils who develop symptoms should be PCR tested. Testing is most sensitive within 3 days of symptoms developing. Guidelines on who can get tested and how to arrange for a test can be found in the COVID-19: getting tested guidance.</p> <p>Tests can be booked online through the NHS website https://www.nhs.uk/conditions/coronavirus-covid-19/testing-and-tracing/ Direct link is https://self-referral.test-for-coronavirus.service.gov.uk/antigen/name or call 119 if they have no internet access.</p> <p>Schools were initially provided with 10 PCR home testing kits which can be provided in the exceptional circumstance that you believe an individual may have barriers to accessing testing elsewhere. See https://www.gov.uk/government/publications/coronavirus-covid-19-home-test-kits-for-schools-and-fe-providers. Kits are not be given directly to children, only to adults over the age of 18 or a child's parent or carer.</p> <p>Positive case in school setting Those affected self-isolate and do not return to school until the end of self-isolation period. See 'when to contact the LA Covid response team' https://thegrid.org.uk/covid-19/key-documents-for-schools COVID.EYSEducation@hertfordshire.gov.uk Since 19th July 2021 NHS Test & Trace have undertaken contact tracing</p> <p>Asymptomatic testing (LFD testing) Testing remains voluntary but strongly encouraged. Staff and secondary school pupils should continue to test twice weekly at home, with lateral flow device (LFD) test kits, 3-4 days apart. There is no need for primary age pupils to routinely test (unless identified as a close contact).</p> <p>Secondary School testing Retain an asymptomatic test centre on site</p> <p>School staff should keep on testing twice a week even if fully vaccinated. See separate Lateral flow testing risk assessment</p>	<p>Staff and pupils who are tested for Covid-19 to inform the school of result and date of test.</p> <p>A positive PCR test will still require self-isolation regardless of vaccination status or age.</p> <p>Additional PCR kits able to be ordered via https://request-testing.test-for-coronavirus.service.gov.uk/</p> <p>From 14th December 2021 all children aged 5 to 18 years and 6 months and those adults who have been fully vaccinated, identified as a close contact of a positive case of COVID-19 by NHS Test & Trace can continue to attend school but should take a daily lateral flow test for 7 days. Should they develop COVID symptoms, or the LFD come back positive then a confirmatory PCR should be taken.</p>	<p>All staff and students</p> <p>Staff and parents of students</p> <p>HT/SLT</p> <p>All students and staff</p> <p>All staff/students</p>	<p>As soon as result is given</p> <p>As necessary</p> <p>Daily LTF test for 7 days</p> <p>Ongoing – twice weekly</p>	
General Transmission of COVID-19	Staff,	<p>Hand Hygiene Welfare facilities are provided which contain suitable levels of soap and paper towels.</p>				

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
Ineffective hygiene protocols	Students / pupils / wider contacts Spread of COVID 19	<p>All persons to wash hands with soap and water regularly and thoroughly, for at least 20 seconds. Hand washing technique to be adopted as directed by NHS guidance posters in place to reinforce this.</p> <p>Alcohol hand sanitiser used in addition where required. Review existing levels / location of hand sanitiser stations. Provided at reception / entrance/exit points; student entrance /reception. Additional hand sanitiser in circulation spaces / classrooms where required.</p> <p>Build use into routines staff and pupil routines e.g., on arrival, when returning from breaks, when changing rooms, before / after eating.</p> <p>Site staff to regularly clean the hand washing facilities and check consumables. Provide suitable and sufficient rubbish bins for hand towels with regular removal and disposal.</p> <p>Ensure adequate supplies of soap, hand sanitiser and paper towels and these should be securely stored.</p> <p>Catch it, kill it, bin it messages reinforced. Staff / students to use tissues when coughing or sneezing and then place the used tissue in the bin before washing hands. (lidded bins in classrooms / other locations for disposal of tissues and other waste)</p> <p>All persons are reminded to not touch their eyes, nose, or mouth if their hands are not clean.</p>	<p>Anti-bac wipes and covid bins provided in toilet areas</p> <p>Daily check on the need for cleaning products</p>	<p>All staff/students</p> <p>Premises staff</p> <p>Premises staff</p>	<p>As necessary</p> <p>Daily</p> <p>Daily</p>	
General Transmission of COVID-19 Ineffective cleaning High Contact points	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Documented cleaning schedule in place, regular cleaning implemented.</p> <p>Ensure that frequent contact points, e.g., door handles, taps, flush handles, toilet door handles, table / desktops, bannisters, telephones, keyboards etc. are cleaned and disinfected regularly.</p> <p>Cleaning materials (e.g., disinfectant spray / wipes) available to staff. Manufacturer's instructions for dilution, application, PPE and contact times for all detergents and disinfectants to be followed.</p> <p>Only cleaning products supplied by the school / contract cleaners are to be used. School to obtain the risk assessment from contract cleaning staff for assurance on control measures and their schedule / methods for cleaning the school site.</p> <p>In the event of a suspected case / confirmed positive case on site</p>	<p>Cleaning Schedules given to cleaning staff to be completed on a weekly basis</p> <p>Notices up in communal areas</p>	<p>Premises staff</p> <p>LH/Premises staff</p>	<p>Spring term 2021 – ongoing</p> <p>Autumn term 2021 – ongoing</p>	<p>Yes</p> <p>Yes</p>

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>For disinfection (e.g., following a suspected case) use a combined detergent disinfectant solution at a dilution of 1000 parts per million (ppm) available chlorine (av.cl.) or a neutral purpose detergent followed by disinfection (1000 ppm av.cl.). See PHE advice COVID-19: cleaning of non-healthcare settings guidance if an alternative non-chlorine based disinfectant is used ensure that it is effective against enveloped viruses i.e., a product to BS EN14476.</p> <p>When cleaning a contaminated area: Cleaning staff to:</p> <ul style="list-style-type: none"> • Wear disposable gloves and apron • Wear a fluid resistant surgical mask (Type IIR) if splashing likely • Hands should be washed with soap and water for 20 seconds after all PPE has been removed. <p>PPE to be double-bagged, then stored securely for 72 hours then thrown away in the regular rubbish after cleaning is finished.</p> <p>Any cloths and mop heads used must be disposed of as single use items.</p>	<p>Cleaning staff have open access to relevant equipment</p>	<p>Premises staff</p>	<p>Ongoing</p>	
Poorly ventilated spaces	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Occupied rooms to be kept as well ventilated as possible (by opening external windows / doors) or via mechanical ventilation systems.</p> <p>Use of CO₂ monitor to help identify if the space is poorly ventilated (CO₂ levels of between 800-1000ppm are indicative of a well-ventilated room.).</p> <p>Where mechanical ventilation is present that removes and circulates air to multiple rooms, increase ventilation rate and recirculation should be turned off adjust these to full fresh air where possible. There is no need to adjust systems that serve only individual rooms or portable units as these operate on 100% recirculation. See HSE guidance and CIBSE COVID-19 ventilation guidance (v5 July 21)</p> <p>In cooler weather open windows just enough to provide constant background ventilation, open windows more fully between classes, during breaks etc. to purge the air in the space. Use heating / additional layers of clothing to maintain comfortable temperatures.</p> <p>Ensure key fire doors are not being compromised / wedged open (those protected stairwells, cross corridor, on single directional routes etc.)</p>	<p>Identify any poorly ventilated areas and take steps to improve, particularly if CO₂ levels are consistently above 1500 ppm.</p> <p>Use high level windows where available to minimise drafts.</p> <p>Where low level windows are being opened out onto play/circulation areas then ensure these don't create a risk of pupils running into the edge of an open window.</p>	<p>All staff</p>	<p>As necessary</p>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
General Transmission of COVID-19	Staff, Students / pupils / wider contacts Spread of COVID 19	<p>If the school is still choosing to retain any other measures which were in adopted previously e.g., soft start, staggering of breaks / lunch etc. then provide details of those in the assessment</p> <p>Face coverings Where pupils in year 7 and above are educated face coverings should be worn by pupils, staff and visitors when moving around the premises, outside of classrooms, such as in corridors and communal areas. (Revised DfE guidance 29/11/21). From January 4th face covering also to be worn by pupils in classrooms.</p> <p>Pupils should also wear a face covering when travelling on public transport and dedicated transport to and from school.</p> <p>In primary schools face coverings should be worn by staff and adults (including visitors) when moving around in corridors and communal areas.</p> <p>Those wearing face coverings should clean hands before and after touching – including to remove or put them on – and store them in individual, sealable plastic bags between use. See face coverings when to wear one</p> <p>Meetings Hybrid approach to meetings / parents evenings etc. with use of virtual platforms where appropriate.</p>	<p>School outbreak management plan to include possibility that it may become necessary to reintroduce ‘bubbles’ for a temporary period, to reduce mixing between groups</p> <p>In the event of a local outbreak the wearing of face coverings may be required to be re-introduced in classrooms.</p> <p>Face masks available in reception offices</p> <p>Systems in place for outreach staff going into schools</p>	<p>SLT/AS</p> <p>All staff Students encouraged to wear face coverings</p> <p>Admin staff</p> <p>KB/Ri/KG</p>	<p>As necessary</p> <p>Ongoing</p> <p>Ongoing</p> <p>As required</p>	<p>Ongoing</p>
General Transmission of COVID-19 wider use of school by 3rd parties / beyond school day	Staff, Students / pupils / wider contacts Spread of COVID 19	<p>Hiring and lettings risk assessments on use required from provider. No set restrictions on indoor / outdoor capacity limits beyond what the school chooses to impose.</p> <p>Supplementary conditions of hire in place for COVID see https://thegrid.org.uk/health-and-safety-offsite-visits-premises/health-and-safety/premises-and-site-related</p> <p>Room layouts and areas able to be accessed agreed with hirer. Time of hire avoids any unnecessary mixing with members of the school community. Welfare facilities and adequate supplies of soap/water, paper towels, hand sanitiser etc. are provided. Consider how well ventilated the hired space is and if this can be improved, for example by opening windows / doors where appropriate.</p>	<p>Hirings / lettings to be reviewed in line with national advice. In the event of a local outbreak additional measures may be required.</p> <p>See also Sport England FAQs on return of sport</p>			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Provide additional signage, if required, for hired spaces to remind users on hand washing etc. All areas used, particularly touch surfaces are cleaned before / after use / before occupation by school.</p> <p>Record should be kept of all visitors / lead booker (maintained for 21 days) to aid track and trace. Or NHS QR code poster and check in function could be used for members of the public when premises are let to external providers. (this is not a legal requirement) Schools are not expected to create NHS QR code posters for their normal day to day operations. In the event of a subsequent positive case returned by a hirer / member of a 3rd party group ensure there is a process in place to notify the school.</p> <p>Breakfast and afterschool clubs – risk assessments on delivery required from providers. These should consider all current guidance including updates to face covering requirements</p> <p>See protective measures for holiday and after school clubs, and other out of school settings</p> <p>Performances</p> <p>Audiences indoor / outdoor have been permitted since May 17th (see also performing Arts guidance).</p> <p>For all indoor spaces, maximise natural ventilation (through opening windows and doors or using mechanical systems wherever possible-see ventilation and music). Face coverings recommended in communal areas.</p>	<p>In the event of a local outbreak additional measures may be required. School outbreak management plan to consider any individual events. Be prepared to change or cancel events depending on the scale of the outbreak, associated risks, and advice from the HCC Public Health team.</p>			
<p>Access to & egress from site</p>	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Visitors</p> <p>Ensure all visitors / building users are aware of school's expectations. They must follow school expectations on face coverings, social distancing, hand washing / use of sanitiser on entry and adhere to any restrictions on accessing parts of the building stipulated by the school.</p> <p>Volunteers, temporary / supply staff, sports coaches and other providers are briefed on school's arrangements for managing and minimising risk.</p> <p>Where visits can happen outside of school hours, they should.</p>	<p>All visitors by appointment only. Face masks to be worn at all times</p>	<p>SLT/Admin</p>	<p>Ongoing</p>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>No longer a requirement to collect contact details but this will support NHS Test and Trace. Check in by providing an NHS QR code poster, or alternate method for recording and securely storing names and contact details.</p> <p>Signage in reception regarding good hygiene. Use of Perspex screens for open receptions.</p>				
<p>Curriculum activities</p>		<p>PE / school sport No restrictions on how many people can take part in sport indoors / outdoors. No set restrictions on activities – continue to follow relevant National Governing Bodies guidance.</p> <p>Since 29th March outdoor fixtures against other schools have been permissible (in line with restrictions on grassroots sport).</p> <p>Since 12th April indoor competition between different schools has been permissible.</p> <p>See guidance on grassroot sports for public and sport providers, safe provision and facilities, and guidance from Sport England</p> <p>See advice and FAQs from Association for Physical Education, AfPE have also published a model risk assessment for PE. https://www.afpe.org.uk/physical-education/coronavirus-guidance-support/</p> <p>Science / DT For secondary science and DT see also CLEAPPS advice (GL343) for suggested considerations in undertaking practical work. CLEAPSS Home page</p> <p>Music Singing and wind / brass instruments No limits on the number of people who can sing indoors or outdoors. However, there is increased risk of aerosol transmission with volume and larger numbers of individuals within a confined space.</p> <p>Where using indoor spaces ensure good ventilation through the use of mechanical systems and/or opening windows and doors. Use larger rooms with high ceilings (school Hall) for larger groups. Encouraging the use of outside space where practical</p> <p>Additional guidance and supplementary risk assessment on music lessons in school has been produced by Herts Music service. https://www.hertsmusicservice.org.uk/schools-area/covid-guidance-for-schools-herts-music-service.aspx</p>	<p>In the event of a local outbreak additional measures may be required. School outbreak management plan to consider any individual events. Be prepared to change or cancel events depending on the scale of the outbreak, associated risks, and advice from the HCC Public Health team.</p>	<p>Assigned staff</p>	<p>Ongoing</p>	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
		<p>Offsite visits Offsite visits (day visits) able to be run since 12th April in line with the Government's roadmap. Domestic residential visits able to take place since 17th May International visits able to commence from start of Autumn term. To be considered carefully due to risk of disruption resulting from the need to isolate and test on arrival back into the UK. Off site visits risk assessment to be undertaken and include IPC measures.</p>	<p>Travel list (and broader international travel policy) is subject to change, contingency plans required. Requirement to isolate and test (PCR) on arrival back in UK introduced from 4am 30th November 2021.</p> <p>See Travel to England from another country during coronavirus (COVID-19) - GOV.UK (www.gov.uk)</p>			
Canteen use / lunchtimes	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Reinforce handwashing prior to eating food. Hand sanitiser should be available at the entrance of any room where people eat and should be used by all persons when entering and leaving the area.</p> <p>Canteen use Food operators continue to follow Food Standard Agency's (FSA) guidance on good hygiene practices in food preparation and their Hazard Analysis and Critical Control Point (HACCP) processes.</p> <p>Payments should be taken by contactless methods wherever possible. (Risks from fingerprint contact payment considered low if handwashing / sanitizing is enforced).</p>		All staff/ students/visitors	Ongoing	
Minibus use	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Vehicle contact points (handles, keys, display and controls etc.) to be cleaned regularly (sanitiser / disinfectant wipes to be available on the vehicle). Use hand sanitizer on entering / leaving vehicle. Switch ventilation systems on and set to draw fresh air in, not recirculate air to improve ventilation. Windows to be open for ventilation (open partially if cold).</p>	Appropriate PPE / cleaning products available in school vehicles	Assigned staff	Ongoing	
School Swimming pools	<p>Staff, Students / pupils / wider contacts</p>	<p>See COVID 19 considerations for swimming Review swimming pool risk assessment and operating procedures. https://thegrid.org.uk/health-and-safety-offsite-visits-premises/health-and-safety/health-and-safety-topics/swimming The Government has removed the capacity limits, bather load can return to pre Covid capacity levels.</p>	Swim England has published a best practice guide and advice on running safe events https://swimming.app.box.com/s/fah5p9g3fi5xnd1jbalpedmdavc4dvpv			

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
	Spread of COVID 19	<p>Follow PWTAG and Swim England advice.</p> <p>Mechanical ventilation should operate on 100% fresh air with no recirculation. Pool cleaning procedures are detailed in Pool's NOP.</p> <p>Hiring and lettings risk assessments on delivery, bather numbers and social distancing required from hirers. Ensure these are robust and follow national advice from Swim England. School to provide their operating procedures to hirers (NOP/EAP). Areas used to be cleaned after use / before occupation by school.</p>				
Contractors	<p>Contractors, Staff, Students / pupils / wider contacts,</p> <p>Spread of COVID 19</p>	<p>School and any on site contractors (Catering, cleaning, FM provider etc.) to co-operate and share risk assessments. All contractors will read and comply with signs in reception regarding good hygiene. Staff and contractors are to maintain respectful distance between themselves and others (1M+ where practical).</p> <p>All contractors are to wash their hands or use alcohol-based hand sanitiser upon entering the site. Agree approach to scheduled / ongoing building works. Where works can be conducted outside of the school day they should be.</p> <p>School to seek confirmation of the contractor's method statement / risk assessment.</p>	Contractors to adhere to covid-safe practices whilst on site	Admin staff	Ongoing	
Provision of first aid	<p>Staff, Students / pupils / wider contacts</p> <p>Spread of COVID 19</p>	<p>Where reasonable physical contact should be kept to a minimum e.g., pupils apply cold pack, wipe, plaster where able to do so. Wash hands before / after treatment.</p> <p>Those administering first aid should wear PPE appropriate to the circumstances. Where the injury was significant and thus required close care for an extended period then it would be reasonable to provide PPE. All PPE should be worn properly and removed with care. Wash hands immediately and thoroughly before and after removing PPE.</p> <p>See also 'provision of personal care' and 'Suspected case whilst working on site'.</p> <p>First aiders to be aware of advice on CPR from The Resuscitation Council Resuscitation Council UK Statement on COVID-19 in relation to CPR and resuscitation in first aid and community settings Resuscitation Council UK</p>	Extensive PPE to be made available for 1st aid trained staff – kept in school offices	1 st aid trained staff	Ongoing	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
Provision of personal care	Staff, Students / pupils / wider contacts Spread of COVID 19	Additional PPE in place if required e.g., for intimate care, to be risk assessed and to be based on nature of task and level of contact (e.g., disposable apron, gloves, fluid resistant surgical mask (type IIR) and if there is a risk of splashing to the eyes e.g., coughing, spitting, vomiting then eye protection (e.g., face shield / visor) should be worn.) Face visors or shields should not be worn as an alternative to face coverings. Ensure any reusable PPE such as face visors are cleaned after use. Where a child falls ill with Coronavirus symptoms whilst on site (new continuous cough, high temperature cough or a loss of, or change, in your normal sense of taste or smell.) then school staff supervising the child while they await collection should wear PPE (a fluid resistant surgical mask) if close contact is required. If direct care (such as for a very young child or a child with complex needs) is required then staff giving care to wear a fluid resistant surgical mask, disposable apron and gloves. All PPE should be worn properly and removed with care. Wash hands immediately and thoroughly before and after removing PPE.	Extensive PPE to be made available for trained staff – kept in school offices	AC/MMcD Assigned staff	Ongoing	
Premises safety	Staff, Students / pupils Wider safeguarding / safety risks	Ensure all 'normal' tasks / compliance checks are being carried out/planned such as fire alarm testing, legionella controls, servicing of equipment, PAT testing etc. Ensure all key services are operational Legionella Any new 'seldomly' used water outlets to be flushed weekly. Post any lockdown / in the event of closure of any part of the building i.e., where weekly flushing of outlets has not taken place then chlorination / flushing of whole system should take place. Ensure key fire doors are not being compromised / wedged open (those protected stairwells, cross corridor, on single directional routes etc.)	Termly checklists carried out at both sites	H&S team	Ongoing	
Lack of awareness of PHE / school controls	Staff, Students / pupils / wider contacts Spread of COVID 19	All staff consulted on plans and risk assessment. Parents/ carers and pupils informed of measures in place to protect them Posters will be displayed in the reception, welfare areas and in suitable places around site. Clear briefing for all personnel on site, warning them of the risks posed by the virus as well as the control measures outlined in this assessment and from government guidance. Volunteers, peripatetic, temporary / supply staff, sports coaches and other providers are briefed on school's arrangements for managing and minimising risk.	Staff informed on Covid RA updates Covid signage displayed around sites Electronic signing in system displays covid information when signing in Covid R/A on website	SLT SLT	Ongoing Ongoing	

What are the hazards?	Who might be harmed and how?	What are you already doing?	What further action is necessary?	Action by who?	Action by when?	Done
Staffing levels	<p>Staff, Students / pupils</p> <p>Spread of COVID 19</p> <p>Wider safeguarding / safety risks</p> <p>In the event of an outbreak of covid cases – Autumn/Winter 2021/22</p>	<p>Dynamic decisions on staffing levels made dependent on numbers / needs of pupils present in school.</p> <p>Reviewed to ensure adequate number of staff in attendance to maintain an appropriate ratio with pupils and ensure key competencies (first aid etc maintained)</p> <p>Options such as supply staff, splitting classes, SLT cover, partial closure may be required in event of staff shortages.</p> <p>Refer to the supplement risk assessment (additional controls) – October 2021</p>	<p>Local operational decisions on partial closure / closure to be made in event of insufficient available staff to supervise pupils.
